

# The Artists Gallery Pages are back!

If you've visited the HBAL website lately, you may have noticed that we're now bringing back the Artists Gallery pages. The new Gallery pages are similar to the previous ones, with small clickable thumbnails that open up larger versions of your images - but we've increased the size of these larger images.

So how does this work?

- HBAL members can have up to 4 works per medium displayed on the HBAL site. If you work in multiple media (watercolor and oil/acrylic, for example), you can submit up to 4 images for each medium.
- Cost is \$5.00 per month for up to 4 works per medium. If you work in 2 media, you can submit 4 for medium 1, and 4 for medium 2, at a cost of \$10.00 per month.
- **First fill out the Web Payment form** (which will be available on our website soon) and return it as indicated on the form, then email your images, bio, and other info.
- **Then email your images and other info** to: [webmaster@hbartleague.com](mailto:webmaster@hbartleague.com)
  - Send the **highest resolution** images you have; we'll resize them as needed to fit on the Artists Gallery pages.
  - To maintain a consistent look to our Artists' Gallery pages, we want the images to be of your artwork only – please do not use your imaging-editing software to add borders or frames.
  - Include the **title** of each image (please keep the titles as short as possible).
  - Tell us **what medium/media** you work in.
  - If your works are for sale and you want the prices listed, give us that info too
  - High resolution **JPGs work best**, but we can accommodate most common image formats. (Please do NOT send images in PDF format – these are unnecessarily large, and much more time-consuming for us to work with.)
  - You can also include an **artist's bio**, 150 to 250 words, in MS Word or text format.
  - Include **your phone number**, which we'll put on your gallery page, so interested visitors can contact you.
  - Provide **your email address**, which we'll include on your gallery page.
  - Include **your website URL**; we'll make it into a link taking visitors directly to your website.
  - Images in **landscape orientation** fit better, but portrait will work.
- We'll be updating the gallery pages regularly, as we get new images. Turn-around time should be **72 hours or less**.
